Assessment Policy

1.1 NOTIFICATION OF ASSESSMENT TASKS

With the exception of the Half Yearly Examinations and Yearly Examinations, students must be notified in writing of the actual date of all major assessment tasks at least 14 calendar days before the task in the form of a handout or by email.

Students will need to sign the registration form for this task held by their teacher.

1.2 ABSENCE WHEN A TASK IS NOTIFIED

Whenever you are absent from school, it is your responsibility to ensure that you know what work has been missed and to catch up on that work. The same conditions apply if you are absent when an Assessment Task is notified. You are not entitled to any automatic extension of time for the task. However, if you have a prolonged absence, you may submit to the Assessment Review Panel an *Application for Consideration / Extension*

1.3 SUBMISSION OF TASKS

All tasks are to be submitted by the start of the first timetabled lesson in the relevant subject due on that day. If you are absent due to a valid reason, you must email your assignment to the school at [windsor-h.school@det.nsw.edu.au/](mailto:windsor-h.school@det.nsw.edu.au) by 3.15pm on the due date. Ensure that you add the course and your teacher's name to the email.

All tasks submitted after this time will be deemed late.

You must sign the task registration sheet held by your teacher when submitting your task. If emailing your assignment add a request for 'received' email.

1.4 EXTENSIONS TO DUE DATES

An extension to the due date of an assignment may be approved, by the Assessment Review Panel, in cases of severe illness, prior knowledge of absence on due date or other exceptional circumstances. Approval for an extension must be sought well in advance of the due date.

For an extension you must complete an *Application for Consideration/Extension* (Green Form). This is available from the front office. You must return the completed form with attached evidence to the office. After consideration by the Assessment Review Panel, you will receive a ruling as to the outcome of your application.

1.5 ZERO MARKS

- a **ZERO** mark will be awarded for the task
