

WINDSOR
HIGH SCHOOL

Dear Parent/Caregiver,

The NSW Teachers Federation has announced a stopwork meeting of all members for up to 2 hours on Friday 18 May 2012. This meeting will be held from 9am.

I have consulted with members of staff and the majority of teachers have indicated that they will participate in the stopwork meeting. However, we will have sufficient teachers in the school to provide minimal supervision for students from 9am until 11am.

Normal lessons will resume at 11am on Friday with an assembly in the main quad.

Parents and caregivers of all students are asked to make suitable alternative arrangements for their children until 11am. The canteen will not serve hot food this day.

Yours sincerely

Annette Cam
Principal
