## **Tell Them From Me: Parent Survey**

### **What are the benefits for my school?**

The *Tell Them From Me* surveys provide school principals and school leaders with insight into student engagement and wellbeing, and the impact of teaching practices at their school, from the perspective of students, teachers and parents. Data collected from the survey responses are compiled into reports for school leaders. The reports provide information that can help schools in their annual planning and reporting activities, by helping to identify emerging issues and plan for improvement.

At Windsor High we have already conducted surveys with students and teachers. Now, it is the turn of our parents and carers. Please follow the link and spend a few minutes to help us shape your child's education.
