Windsor High students excel at RFS State Field Day-See page 6

PRINCIPAL'S MESSAGE

HSC Students – Good Luck!

This week, Year 12 students graduate! How quickly does the time go by! They have been a diverse group, with many varied interests and skills which they have brought to their time at school. We have had lots of fun watching them grow and mature, and recently, viewing their outstanding Drama and Music performances, their Industrial Technology furniture projects, eating the food provided by the Hospitality students and all the other activities they have organised around the school.

They have certainly been a fine group and we will miss them. All the staff here wish them the very

best for their examinations next term and for their future. Remember, if you don't get the results you quite wanted, go to your Plan B!!

Many of our past students have taken a while to find exactly the path they want to follow, but they do get there in the end.

Schools Industry Partnership Awards

Five of our Year 12 students recently received prestigious Schools Industry Partnership Awards for Vocational Education and Training. They are: Erin Carroll (Hospitality), Rhian Brooks (Primary Industries),

. WALKING TOGETHER . LEARNING TOGETHER .

Claudia Ward (Business Services), David Berger (Entertainment), Anthony Connors (Metals and Engineering). Congratulations to all these students for their fine achievement.

Academic Reviews -Year 9

I have been conducting Academic reviews for Year 9 over the past two weeks, with HT Year 9, Ms Court. We have examined classwork, bookwork, attendance and welfare issues for each student.

The reviews have been very informative and I am thrilled with the outstanding standard of work of many of our students. These students have shown excellent bookwork, well-presented and complete, demonstrating a sense of pride in their presentation. I have also taken the time to discuss one-on-one aspects of their learning – what they understand, how they learn, how their teachers are teaching. I have learned a lot myself about what they are doing in each of their courses and have had rich and rewarding conversations with many of these children. I have been inspired by the insightfulness of many of our students and their goals for their own futures! We have students with dreams of becoming forensic scientists, lawyers, architects, pilots, travelling journalists as well of course, of those who want to pursue trades.

Some children, however, have little work to show for their time in Year 9. This is of great concern, as it demonstrates a lack of application to learning and a consequent lack of understanding of the outcomes of their courses. Some of these students are at risk of not progressing to Year 10 in 2013; to avoid this, they will have to rectify any missing work and re-present to me early next term.

All parents will receive a letter outlining the findings of the reviews, and alerting them to any concerns we may have.

I encourage all parents to do a few simple things at home to support their child's learning:

- * Have a look in their classbooks, or at the work on their computer (if they use a laptop for work).
- * Make sure that they have a book and pen and are using it! Each course has 5 periods a week and there are 10 weeks in a term. This

should give you some idea about how much work you may expect to see!

- * Talk to them about what they have learned. Take the time to probe, as often the first response of a teenager is "I don't know!" when they actually have some good ideas!

Year 10

At this stage, I have been interviewing the Year 10 students who are causing concern and who are at risk of not receiving their Year 10 Record of School Achievement. Again, you will be informed of the outcomes of these interviews. The remainder of Year 10 will be interviewed in Term 4.

Years 7 and 8

These students will undergo their academic review in Term 4 as well.

Happy Holidays!

Mrs A Cam
Principal

WEP Student Exchange – Memories and Skills for a Lifetime!

Give your child the opportunity to gain international experiences and language skills to kick-start a future career. Along with distinct language benefits, exchange Students mature, gain confidence and develop a more worldly approach upon their return to Australia.

Experience the wonderful world of WEP!

Choose from over 100 programs to over 20 countries around the world to live and study for a summer, semester or year. Applications are closing at the end of August for programs departing in Jan-Feb 2013.

IMPORTANT ANNOUNCEMENT

WINDSOR
HIGH SCHOOL

13 September, 2012

Dear Parent/Caregiver,

I am writing to advise you of industrial action that will be taken by the school's non-teaching staff on Day 1 Term 4 2012. The SASS will be on strike until 1pm on Monday 8 October 2012.

The non-teaching staff union, the PSA, has directed their members to take this action so that they can meet to discuss the potential impacts on their workload, job descriptions and working conditions that will result from the recently announced cuts to public education proposed by the State Government. It is rare for the SASS to take strike action and the teaching staff support this move.

No teachers will be on strike on this day, so mainstream classes will function as normal. However, the office will be only manned on a skeleton staff and so there may be delays in answering the telephone this day as well as difficulties in taking messages and relaying them to your child. You will be able to leave a message on the answering machine if the office is not manned for a period of time, and we will return your call as soon as possible.

Many of the Student Learning Support Officers (sometimes called "Teacher's Aides") will also be on strike this day.

Thank you for your understanding and continued support for quality Public Education.

Yours sincerely,

Mrs Annette Cam
Principal
Windsor High School

DEPUTY'S REPORT

The captains for 2013 have just been announced. There were some outstanding candidates this year who completed a rigorous process of nominations, interviews, speeches in front of the whole school and finally the whole school vote to be awarded the honour of school captain 2013. Congratulations to **Renee Dunn, Jasmine Breeze, Shannon Muscolino** and **Holly Malpass** Captains Elect for 2013.

I am sure that these students will do Windsor High extremely proud in their representation of the school in the future. The other candidates also did a fantastic job getting through the process and I am sure that many of these students will still get the opportunity to represent Windsor High School in the future. Congratulations to Mrs Kedicioglu also for her organisation of the process and the guidance she offered the students involved. I am looking forward to working with the whole team in 2013.

On Friday 14th September I had the privilege to be invited to the **WOW** (World of Work) presentation at Parramatta's Visitor Information centre. Students from Windsor High had been involved in the program all week where they developed their understanding of what it means to be successful in the 'World of Work'.

Students participated in a range of activities including meeting and interviewing employees from IBM, Event Cinemas and the Sebel hotel chain. Each student made a speech in front of the professionals who guided them through the week and also developed and presented their

key ideas they had generated throughout the week. Congratulations to **Caitlin Ferguson-Evans** and **Grace Adams** from Year 10 and also to Mrs Boyd for representing Windsor High School in such a positive light out in the community. I have absolutely no doubt that all students involved will be very successful in the workforce in the future.

On Tuesday the 16th October a subject information evening has been organised for students that will be starting Year 9 and Year 10 in 2013. Several changes have been made to the way Windsor High School will structure its curriculum starting in 2013. Firstly students will study elective courses all year rather than for 1 semester. Students will still have the opportunity to study 100 hour elective courses in Year 9 and 200 hours if they continue with the subject in Year 10.

This will allow for a more simple and consistent pattern of study for all students. I urge all parents of current Year 8 and 9 students to attend this evening.

The PBL team has been working hard getting organised for the next phase of the program which will be student movement in and out of classrooms across the school. Students will be explicitly taught the whole school expectations of this process in Seminar classes early next term. Students who consistently do the right thing will be rewarded with STAR cards and will once again have the opportunity to win prizes in Term 4.

Thank you to the students who consistently wear full school uniform and also for the support of parents who ensure that their child is organised and dressed appropriately for school. The warmer months are upon us now which has seen a dramatic improvement in the level of uniform worn across the school.

Unfortunately there is still an element within the school who continue to refuse to wear the uniform so the following changes to the uniform procedures will take effect from Monday 17th September.

DEPUTY'S REPORT.....cont

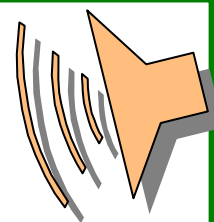

1. Students who are out of uniform without a note will still receive a detention at lunch, however, students will be required to write a letter explaining to their parents that they were out of uniform that day.
2. Students that bring in a note will receive a uniform pass for the day.

Thanks in advance to students and parents for your support with this matter.

To all students and staff of Windsor High School have a happy and safe holiday. See you Term 4

Mr S Mudiman - Deputy Principal

MP3 players and hearing loss

If your child can't hear you talking when they're listening to their MP3 player, then their music is up too loud.

Find out what you can do to help protect your child's hearing.

YR 12 FUNDRAISING - THANK YOU

Our graduating Yr 12 students have recently run a raffle to raise funds to refurbish the senior study centre. As a part of the initiative local businesses were approached to donate goods and services. In appreciation of their generosity we would like to acknowledge the following contributors and congratulate the prize winners.

- Harvey Norman McGraths Hill - G Ainsley
- Penrith Whitewater Stadium Cranebrook - A Howarth
- Arturo's Pizza, Pasta and Ribs - C Smith, T Walker, M Newland, B Kedicioglu, P Nand, F Charles
- Anytime Fitness Rouse Hill - B Bailey
- Bunnings McGraths Hill - P Jones
- Studio 206 Windsor - M Carroll (Hair), J Galbraith (Facial), M Porter (Make-up)
- Smik Surf Windsor - E Ruis
- Impressions Health and Fitness McGraths Hill - L West, E Ruis,
- Finishing Touch Beauty Studio Windsor - J Chant
- Good Price Pharmacy and Warehouse McGraths Hill - Smik Surf Windsor

The raffle was conducted and witnessed by Mr S Mudiman

RFS STATE FIELD DAY REPORT

On the weekend of 16th and 17th September, Jasmine Breeze, Joshua Carter, Owen Morgan and Issy Minter all members of the Oakville Fire Brigade (after completing their cadetship at Wednesday Sport) competed in the Rural Fire Service State Championships, with the Oakville Alpha Team becoming the Junior State Champions!

Jazmine Breeze was presented with the Junior Crew Leader Award. Congratulations to all our students on a job well done! Any students who would like to join the Oakville Team are more than welcome to come up to the Fire Shed on a Tuesday night – see Mr Hawes for further information.

Mrs K Rutter
P & C President

MAX POTENTIAL REPORT

Throughout 22 weeks in 2012 the following 11 students: Valerie Jochico, Sally Clenton, Jaymie Eaton, Renee Dunn, Bryce Chivers, Tim Marchant, Maddy Griffith, Denise Phiri, Liz Turai, Caitlin Hosking and Rochelle Coull were involved in the Max Potential program.

This is a program that aims to accelerate personal leadership in young adults, using coaching mentoring from local business representatives. The program encourages students to interact with their local community and work on ways they can contribute to it, and improve it.

The 10 personal leadership principles of the program are: Make things happen, Achieve personal significance, X-out the negatives, Internalise the right principles, march to a mission, integrate all of life set your focus on caring for people, energise your inner life, realign, stay the course.

Students put the above into action by developing a program for them to organise and run and put into practice within the community. WHS students chose to do projects such as: a

food drive for the less privileged, a library for Hawkesbury Shelter which looks after the homeless, visits and interacting with a local aged persons home.

One of the best things that students got out of this program is the sense of achievement and the value of staying on through all the difficult times and seeing a project to the end. Such was the success of the program and our participants, you may have seen a wonderful article and photos on the local Hawkesbury Gazette.

Congratulations to all participants for seeing the project through, for staying on through all the difficult times, for developing perseverance and for all of you for making immensely valueable positive changes and contributions to the local community.

Mrs K Boyd
Transition
Advisor

WOW WEEK REPORT

(See photo in Deputy Principal's Report Page 4)

Over 20 Windsor High School students have now been involved in the WOW (World's of Work) program since November 2011. The program is aimed at providing opportunities and strategies for students do things they never thought they would, identify their personal strengths and passions and begin to work on skills that make them employable anywhere, anytime, any industry.

Students have to apply to the Department of Education's regional office and get selected, as a means of entering the program.

The program is less about work options for the participants, and more about them being comfortable, confident, resilient and adaptable in life and work.

The students develop their own self awareness in these areas through surveying random people on the street and meeting and talking with a large range of people from various businesses. These business representatives opened up and answered the questions students ask them such as " what does it take to succeed in life and work ", what would you tell your 15 year old self ", "do you have any regrets" and " what would you change about yourself and your life".

All of these adults were impressed with the maturity of the WOW participants and their questions – often saying they had never thought about the questions, but thought they were great to think about.

The awesome businesses that gave up their time for students to sit and chat with employees were: The Sebel Hotel Parramatta, Events Cinema Parramatta and Castle Hill and IBM in St Leonards. IBM was the most impressive. As students exited the elevator on the 13th floor ready for a breakfast meeting, they were greeted with an almost 360 ° view of the city – a very WOW moment !!

Students also got to experience other aspects of work, as they needed to get themselves to and

from Parramatta each day, and also to meet at St Leonards, on the North Shore for a 8.45 start. This involved some students leaving home as early as 5.30 to get there!! A mark of success in itself.

This is the third WOW week I have participated in as a trained WOW co-facilitator and I am always impressed by two things:

1. The maturity and honesty of all the Yr 10 WOW participants. They are fantastic representatives of their families and schools and should be incredibly proud of how they conducted themselves, took on and conquered challenges and showed that they are already successful.
2. How fantastic Windsor High School students are. I am always proud to say loud and proud during the final presentation and throughout each week :

" Those young people are from Windsor High".

As mentioned in the Deputy Principal's report, **Grace Adams and Caitlin Ferguson - Evans** were our WHS participants this week and they continued the very impressive and inspiring traditional of all WHS participants.

Mrs K Boyd
Transition Advisor and WOW Week
Co-ordinator.

This summer we're looking for the next generation of bowlers, batters and catchers. There's lots of ways you can get involved in cricket with your local club, association or indoor centre.

CAPA CAPERS

Traditionally Term 3 is always a very busy time for CAPA staff and students and this year has been no exception. Over a 100 CAPA students from Years 7-12 have been involved in numerous rehearsals and a variety of workshops, performances and competitions. Although there are too many students to name individually, we would like to thank and congratulate all the staff and students who have participated and made this term such a wonderful and amazing experience.

CAPA Term 3 program

In week 1, Year 11 Photography students from Windsor High joined with Windsor Public and Richmond High students to participate in the Hawkesbury Water in the Landscape Photography Competition and a Photography Workshop at the Hawkesbury Regional Art Gallery. Our music students prepared and auditioned for the Hawkesbury Musical Festival and five quality Windsor High musical items were selected for inclusion in the festival for next term.

In Week 2, the Samba workshops started earlier in the year concluded with Windsor High students and Windsor Public students performing at the Riverview Shopping Centre. Gemma Carroll, James Fenton, Caitlyn Ferguson and Brock Taranto travelled to Kurrajong to present two Samba workshops at the 2012 Regional Music Camp to more than one hundred students.

During Education Week, our wonderful music students performed at the Riverview Shopping centre, while our talented dancers participated in the state-wide SimuLaunch. For four weeks Valerie Jochico, Cassandra Conlon, Rachel Camden, Chloe Jochico and Maddison Brough visited Windsor South Primary to present one hour workshops called Junior Art Express to thirty students in years 3 and 4.

In Week 5, the P &C, the CAPA faculty and students presented two musical concerts; a matinee concert for over 350 students from various primary schools and an evening concert to parents and friends.

On the 6th of September Jasmine Breeze and Maxwell Finn were once again invited to the Riverview shopping centre to perform solo items and original songs.

In week 9, 20 Windsor High students from Years 7-10 attended the 3 day 2012 Western Sydney Regional Percussion at the Crusaders Conference Centre Galston.

Junior Art classes have recently completed over 40 entries for the Gazette Design an Ad Competition for local Hawkesbury businesses.

The CAPA faculty would like to wish Cassandra Conlon and Rachel Camden all the best and success at the National Art School Workshop, which they will be attending during the term 3 holidays.

Also, Congratulations to all our HSC music and art students who have now completed all their practical exams and/or submitted their major works and wish them all the best for their HSC written exams.

Mr S Bonaccorso
Head Teacher CAPA

GIFTED AND TALENTED WORKSHOPS

This year Windsor High teachers participated in the Hawkesbury Gifted & Talented Creative Arts Program. A one day Gifted and talented workshop attended by 140 students from various primary schools across the Hawkesbury region.

The teachers who participated included Ms Gildon, Mr Beedham, Ms Court, Mr Anand, Mr Nand, Mr Galbraith, Mr Carter, Mrs Thomas, Mr Sydney Jones, Mr Whelan and Mr Bonaccorso. The day was enjoyed by all teachers and students, and highlighted to the Hawkesbury community the exceptional talent and quality of our teaching staff and wonderful student helpers.

A big thank you to all the staff and students that made the workshops a wonderful success!

Mr S Bonaccorso
Head Teacher CAPA

YEAR 8/9 CAMP REPORT

For three days in late August 40 intrepid adventures from Windsor High

School left early in the morning to travel 3 hours up the north coast to the Great Aussie Bush Camp at Tea Gardens.

During the day the students undertook a range of adventure activities that included a giant swing, kayaking, abseiling, high ropes courses for groups and individuals, rolling down massive sand dunes, swimming and playing touch footy on the beach, as well as an adventure course that covered everybody (including teachers) in thick mud.

At night the students showed their incredible skills during a games night in the hall, had fires outside to relax by and had a 2 hour game where they had to go quietly through the bush in pitch black being chased by teachers with torches.

With great food, fantastic camp leaders and wonderful kids it was a fantastic camp. A big thank you must go to all the students for making it a magnificent 3 days of fun and relaxation for the teachers and a big thank you also for Ms Winter for coming at short notice and looking after us all. I am already looking forward to another awesome camp next year.

Mr K Erickson (Year 9 Advisor)

INFORMATION FOR SCHOOL COMMUNITIES ABOUT MEASLES

Sydney is currently experiencing an outbreak of measles which began in April 2012 and is centred in the South Western Sydney and Western Sydney regions. Many of the cases have been high school students, with a smaller number in primary school. There is potential for the measles outbreak to spread further given young people have large social networks both within and outside of school.

NSW Health advises that measles is a serious viral illness that mainly affects unvaccinated children, teenagers, young adults, and babies too young to be vaccinated. Measles is highly infectious and can easily spread through the air. Immunisation is effective in preventing the disease. In Australia, infants and young children are vaccinated with measles-mumps-rubella vaccine at 12 months and 4 years of age. People who are at risk of measles include:

- Infants <12 months who are too young to have been routinely vaccinated
- Older children who have not received 2 doses of measles-containing vaccine
- Adults born during or after 1966 who have not received 2 doses of measles-containing vaccine and haven't had measles infection in the past.

Immunising older siblings and non-immune adults will help prevent the spread of infection to infants who are too young to be vaccinated and who are at risk of severe disease. The first sign of measles is a high fever which usually begins about 10 to 12 days after exposure to a person with measles (range 7-18 days). A runny nose, cough, red and watery eyes (conjunctivitis), and small white spots inside the cheeks can develop in the initial stage. The rash appears around 14 days after exposure, usually starting on the face and upper neck and spreading over the body, hands and feet. The rash lasts for 4-7 days.

IMPORTANT INFORMATION:

People with measles are usually infectious from just before the symptoms begin until four days after the rash appears. If you have had contact with someone who has had measles and develop a fever, runny nose, cough, red and watery eyes, it may be measles and seek medical advice.

If you suspect measles, see your doctor, clinic or hospital. It is important to ring before your consultation so you can be seen as soon as possible and arrangements can be made to avoid contact with other patients in the waiting room who may be susceptible to measles.

A person with measles should remain at home until four days after the rash appears to reduce the possibility of spreading it to other people.

Further information about measles can be found on the NSW Ministry of Health website at: <http://www.health.nsw.gov.au/factsheets/infectious/measles.html>

LEARNING SUPPORT REPORT

In Term 2 this year, Year 11 students were allocated a study skills session during one double study period per week. During this time, students have had access to teachers who help them prepare for assessments, assist with examination preparation and are available to work either individually or in small groups which many students have found beneficial.

Students who have been attending regularly have become more confident in their abilities, whether it is revision, research or how to write an essay.

The teachers who mentor the students are trained in a variety of subjects and are pleased with the positive response from students who have taken an active role in their learning by participating in these study sessions.

Although each Year 11 student is allocated a study session on their timetable, many students have chosen to attend a second session a week so they can get extra assistance needed to complete assessment tasks or help with TAFE/VET course assignments they may have.

A big thank you to Ms Calvert, Mrs Walker and Ms Keir who organised and timetabled the sessions.

We look forward to continuing Study Skills and encourage students to keep up the good work.

Miss M Talidu
Learning Support

Upcoming Events

TERM 4 2012

- ◇ 8/10 Students Return
