We have been working hard at Windsor High School to create a culture where our students challenge themselves and where the whole school acknowledges and values academic success. Last week students received their results for participating in a Mathematics University based competition, competing against the best of students across the state. Students achieved results ranging from participation through to credits and distinctions. Congratulations to all students who challenged themselves and did their best!

**WALKING TOGETHER - LEARNING TOGETHER**

**White  
Ribbon  
SCHOOL**

Some of our support unit students have also been participating in Mathematics challenges. Congratulations to Tash on her great achievement!

Acknowledging students who consistently do their best, congratulations goes to Connor and Maeve for being our VIVO Rewards High Flyers of the week.

Ms Flitter was again our High Flying teacher, as she consistently rewards the students in her classes with all her allocated VIVO award points.

To ensure students who are consistently engaged in their lessons and challenge themselves to do their best are acknowledged, families were invited to join us last Tuesday as we celebrated the final Year 7 to 10 Principal's Morning Tea for 2018. Congratulations to all award recipients.

Year 7 award recipients.

Year 8 award recipients.

The choir accompanied by Ms West on Violin and Layla on keyboards, performed a moving rendition of The Hanging Tree, as a part of the entertainment at the Principal's Morning Tea.

Year 9 award recipients.

Year 10 award recipients.

Our amazing Year Advisors for Years 7-10-Ms Oppy, Ms Walker, Mr Zivkovic and Mr Fragogiannis

The Principal's Morning Tea was hosted by our current School Captains- Ameysa, Annabelle, Jacob and Sean.

To provide as many quality experiences as we can, the PD/H/PE Faculty have organised for our Year 8 students to receive some expert skill development from Netball NSW. Both the girls and boys receive ball skills activities and agility training. The feedback from students and staff is that it is a very engaging program that students enjoy.

Netball NSW comes Windsor High School to deliver coaching sessions for year 8.

We have continued to provide our Primary school students with positive high school experiences. After regularly visiting our Ag Farm during Term 3 and Term 4, Windsor Public had the chance to see the rewards of their hard work, harvesting their various crops. They then used their produce to create a feast fit for kings! Check out the video on our Face Book page with the students from both Windsor Public and Windsor High Schools talking about what they love about the Hawkesbury Harvest Program.

Windsor Public School's last day of Hawkesbury Harvest!

As a White Ribbon affiliated school, we regularly hold events during the year to ensure all students are educated about stopping domestic violence. The most prestigious of the events is on White Ribbon Day when we have a formal assembly. These assemblies are normally very moving and this year was no different. Our guest speaker Nelsa Simmonds shared a very moving presentation sharing stories about her own past experiences with domestic violence, and about how she doesn't let it define her now. She finished her performance with singing, unaccompanied, a song she has written- you could have heard a pin drop in the assembly it was so engaging. Thank you to all the students for their outstanding behaviour and a special thank you to Mr Smith and the White Ribbon team, including male students for organising such a meaningful assembly.

#### 2018 White Ribbon Assembly

Our school took part in the boys and girls under 14s Indoor Soccer Tournament last week. Both the Girls and Boys teams played well, with the girls winning their last game defeating Greystanes High School 1 - 0. Madison was our top goal scorer having scored 2 goals and Isabella was our second top goal scorer having scored 1 goal. Mr Prasad was proud of the effort and enthusiasm of both teams! Well done!

An update on Lace, our kid with a broken leg. She went to the vet for a checkup last Friday and to have the cast removed and replaced. It looks like some healing of the bone has occurred but she is not out of the woods yet. Lace had her leg bandaged and plastered again. We will see what another week will bring. She is pictured here with her sister, Satin.

Staff are very busy now finalizing their marking, allocating grades and writing comments for the reports. I thank them on behalf of the students and parents for the hard work they put into their work, providing education of an outstanding standard for all of our students.

Regards  
Jennifer Hawken  
Principal

## SRC Report

As we move towards the Christmas holidays, the SRC continues to keep itself busy by participating and involving themselves in a number of school-based events. The SRC recently participated in White Ribbon Day where it provided a free barbecue for all students and teachers of Windsor High School while raising awareness about violence against women. This event coincided with a fundraiser where the SRC sold soft-serve ice creams and spider drinks to the school community. We successfully raised \$180. These funds will support the purchase of outdoor furniture for the senior quad.

An upcoming event to look forward to is Footy Colours Day, which will be held at Windsor High School on Friday 30<sup>th</sup> of November. This event aims to unite people in the fight against cancer by giving people the opportunity to wear their team's favourite colours with pride. All money raised will go towards the Cancer Foundation, which aims to help young people with their education while they receive treatment for cancer. As such, the SRC are encouraging all students to wear their favourite sporting team's jersey/shirt to school to show their support for this worthwhile cause. For this privilege, students must make a gold donation, which will be collected during Period 1. Please note that apart from their favourite team's jersey/shirt, students must be in full school uniform, including shoes and pants.

On behalf of the Windsor High School SRC, we would like to thank the students and the wider community for their ongoing support.
