As the weeks are flying past at a rapid rate of knots, students on last week's assembly were recognised for the great things they have achieved.

Congratulations to our Year 10 Year Advisor award recipients Liam and Hamodi.

WALKING TOGETHER - LEARNING TOGETHER

Our VIVO High Flyers awards went to Mia and Daniel

Mr Muscio had his name pulled out of the hat for awarding all of his allocated VIVO points, receiving a tin of creamed corn (he didn't want the lollies!)

Year 7 Year Advisor awards were given to Tim, Logan-Jay and Noah. Well done boys!

Ms West and our Support Unit students encouraged all students and staff to donate to our Christmas food drive for Hawkesbury Helping Hands.

The prestigious Deputy Principal Awards were given to Mason, Katrina and Layla. Congratulations to these students as it represents that they are consistently upholding our STAR Values.

Last week on Wednesday all students from Year 7 were involved in the UTS Engineering on the Road Program, run by current University of Technology Sydney students. Students rotated through a series of Engineering and Science activities and in small groups needed to design and test Floating Houses, Wind Turbines, Bionic Limbs and Spaghetti Bridges. All students had a fantastic day and engaged well in all activities and some groups achieved results that were the best the UTS students had ever seen. Well done Year 7!

Year 11 students discovered the wonders of the State Library last week, with an excursion based on increasing their research capacity, an essential skill in being successful in the HSC and beyond.

To improve ball skills and agility our Netball NSW coaching sessions continued with Year 8 last Wednesday, indoors as the weather outside was very wet! Students are greatly enjoying this program and the opportunities it is providing.

We are so lucky to have such an effective, supportive P&C. Although small in number, they raise much needed funds to purchase resources that benefit the students at our school. We would like to publically thank our wonderful P&C for supporting us this year. Some of the projects funded are:

- * Sandpit and cover for the Support Unit
- * A3 Colour printer for CAPA
- * Large whiteboards for Mathematics
- * Vertical wall garden for HSIE

Sandpit in use in Support

Whiteboards in Mathematics

Printer

Vertical Wall

Santa and his helper came to assembly last week to ask us all to donate to the Christmas Food Drive. Thanks to all the people who have donated already. We have plenty of room in the Careers Room for more non-perishable food items.

Miss Talidu's 'Artist of the week' is Braedon in Year 7. Braedon has done some excellent sketching this week, his drawings have been impressive. Well done, Braedon!

The Year 10 formal is a special event in the school's calendar where our Year 10 students get the chance to dress formally and celebrate completing their Stage 4 and 5 years of their schooling, which means they have met the minimum requirements for a ROSA. With high expectations of all students only those who have met Code of Conduct requirements and handed in all their course work on time receive an invite. Thank you to Ms Oppy for all her organisation for this event.

Year 10 Formal

The SRC organised a great Footy Colours Day, where lots of our teaching, non-teaching staff and students joined in the spirit of the day and wore their footy colours, making a \$2 gold coin donation to The Fight Cancer Foundation. Thank you to all for supporting this event.

Footy Colours Day on Friday

Regards
Jennifer Hawken
Principal

SRC Report

On Friday the 30th of November, the SRC members organised a Footy Colours Day. All students were permitted to wear their favourite footy team's colours to school on this day in return for making a gold coin donation. All funds raised will go towards the Cancer Foundation and to assist the lives of people living with cancer and their families. This day was well supported by the office staff, teaching staff and the students of the school with considerable money raised from the gold coin donations.

Jade competed at the Irish Dancing Nationals 2018 in Cairns in the October school holidays. Out of 76 dancers in the 12 years girls age group she placed 29th. Well done Jade!!

Macquarie Towns Arts Society's
School Holiday Art & Craft Workshop Program
