As the weeks go flying past at a rapid rate of knots, we had the chance at assembly last week to acknowledge our 'High Flying' VIVO recipients. Congratulations to Layla for her great commitment to her studies and the school.

WALKING TOGETHER - LEARNING TOGETHER

Congratulations also to Ms Madan for distributing all of her allocated VIVO reward points to her students, acknowledging how hard they are all working.

Congratulations to Charlotte who received all three prizes for the Literary Technique of the Week draw. Charlotte put in a number of entries nearly every week and her work has paid off!

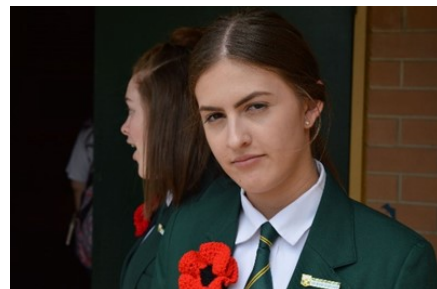

We held a very special formal assembly to acknowledge the graduation of our Rural Fire Service (RFS) Cadets and to acknowledge Remembrance Day. The theme of the assembly was the importance of appreciation and gratitude to those who volunteer, no matter in what capacity. We have introduced to students protocol around the singing of the national anthem, and they responded well to this new initiative. The guests commented on the great behaviour of our students and the high quality of the presentations. Ms Mooney did an extraordinary job acknowledging the life of a recently passed Vietnam veteran, Private Wallis Musgrave.

Several RFS Volunteers have worked very hard to train our Year 9 Cadets throughout terms 2 and 3 this year; they joined us for our graduation assembly last week to recognise this wonderful achievement. Special thanks goes to Deputy Peter Jones from Kurrajong, Deputy Cathy Jones from Colo Heights who came every week to run the training, also thanks to Group Captain Phil Hurst who administers the program. Hawkesbury Superintendent Karen Hodges also attended the assembly and presented the Cadets with their certificates.

Well done to all our 2018 Cadets: Caitlin, Jacob, Abdulrahman, Katrina, Ethan, Jake, Jade, Clarice, Shanaye and Fane.

REMEMBRANCE DAY
Left We Forget

Engaging lessons in Food Technology created the healthy hamburger option- Zucchini Burgers, for our Year 8 students. The students reported they were very tasty!

SAFETY

The goats are a great attribute in our Ag Farm but they do get up to mischief. Lace tried to jump out of the pen last week and broke her leg. A Vet visit was necessary to set her leg. Each week she will get it removed and replaced as she is growing very quickly. Mrs Ruis has been busily selling eggs and vegetables to help cover the cost of the vet bill. Like us, the bones take 6 weeks to heal. Let's hope her leg mends quickly as well as correctly.

Miss Talidu's 'Artist of the week' was Dylan in Year 7. Dylan has made great progress on his artist research project. Well done, Dylan!

8.3 Agriculture students reaping the rewards from their vegetable gardens. Seth and Michael were trying to find the smallest carrot in their gardens!

Year 8 Visual Arts students patiently carving their Lino print designs, showing creativity, patience and skill development.

What a great week we had showcasing the great things that happen at Windsor High School

White Ribbon Cup – Touch Football 2018

On Friday 16/11/2018 the following students represented Windsor High School at the Touch Football White Ribbon Cup 2018 at Colo High School – Junior Touch Football Team (Years 7 – 9): Blake, Ashton, Alexander, Cooper, Connor, Jake, Ben, Wayne, Lachlan, Reilli, Ricco, A-Jay. Senior Team (Year 10 – 12): Jonathan, Dylan, Nathaneal, Clancy, Thomas, Keegan, Max, Aiden, Corey and Zachery. The students played to the best of their ability and represented Windsor High School with pride and determination. Although we didn't win the tournament, the White Ribbon Cup had a greater significance, and that was male teachers and male students from different schools coming together to promote the White Ribbon campaign in order to end violence towards women. The following students and teacher scored some entertaining tries: Wayne, Thomas, Corey and Mr Philp. Mr Philp ran the whole field to score his try. Hawkesbury High School won the Junior Tournament and Colo High School won the Senior Tournament. I would like to thank all students, Mr Cotter and Mr Philp in participating in this great initiative.
