Sea Themed Ceramics — Clarice & Tueny Yr 10

Windsor High School certainly ramps up as the end of year approaches. Staff have been busy organising the Presentation Day assembly as well as finalising marking, grade allocations, writing reports and end of year excursions.

At last week’s assembly, the ICAS certificates for Reading and Writing were distributed to students. It was great to see such amazing results, especially Layla who came first in Writing out of every Year 8 student who entered in Australasia. At Windsor High School we are producing students who are the best in the world!

Layla, Taylah, Joshua, Ronald, Lauren, Aiden, Skye, Lachlan.

WALKING TOGETHER - LEARNING TOGETHER

Research shows that when students read, their comprehension, grammar, punctuation and writing improves, so it makes sense to encourage all students to read as much as they can. Each year at Windsor High School we have had more and more students enter the Premier's Reading Challenge. This year more than 50 students from all year groups entered this great initiative.

Supporting our local community, that supports us, we at Windsor High School are collecting non-perishable food items for the Hawkesbury Helping Hands Christmas food drive. Santa's elves arrived last week on assembly to encourage all students and teachers to bring in an item.

Our support unit students were awarded their certificates for doing great work with their Sustainable Villages Assessment Task.

Ms Ruis works very hard with her students in Agriculture so that they learn the techniques to ensure successful vegetable growing. Proof of this is the massive zucchini crop they have just produced!

Our fantastic Hospitality students performed very well last week when they were required to be co-assessed as a part of their VET Hospitality course. They were assessed for competency by an official assessor from outside the school and all attained their competency. Well done Mrs Koomen and students.

Our Junior Recognition Assembly was a great celebration of students who work hard and consistently do their best. For the first time this year we asked the Year Groups along to the recognition assembly as a motivator so that all students can be recognized for doing their best. The assembly was led by our school captains who did a great job, and we were entertained by a fabulous music and dance performance. Congratulations to all award winners.

We look forward to seeing lots of parents, caregivers and family members acknowledge our very best students at this week's Presentation Assembly. Invitations were sent out last week to the families of the students receiving awards.

Kind regards
Jennifer Hawken
Principal
