Shredded Paper Macro—Year 9 Archives

My apologies that this newsletter did not get published at the end of last week. With all the students returning last week, and with the implementation of the COVID safe practices, it was a ridiculously busy week.

The vast majority of students settled back into their learning very smoothly, keen to be back at school and with their friends. A small number of students found the routine and the requirements a bit challenging. The mask wearing requirement indoors is the most difficult aspect of our restrictions, with some students either not wearing their masks properly, or refusing to wear one at all. We take these behaviours very seriously and will send students home for failing to wear a mask appropriately. We also remind all families that students are required to wear leather shoes in all science laboratories, kitchens and woodwork/metal practical rooms. Please contact the school if financial help is required.

A reminder to all families who borrowed a laptop and/or a dongle whilst remote learning, these devices now need to be returned to the school immediately, in their boxes as instructed, unless you have spoken to a DP and an alternate arrangement has been made.

Ribbon
SCHOOL**

OPPORTUNITY INNOVATION SUCCESS

This morning, at our virtual assembly, Senior Constable Troy Lucca (School Police Liaison Officer) spoke to the school about vapes, explaining they are now illegal and anyone found with one in their possession can be charged and end up with a police record. As per our policy, any student found vaping or with a vape will be suspended.

Teaching and Learning

On Facebook, the last of our remote teaching and learning activities were well received by all. We shared another edible model for our Year 7 GREAT GEOGRAPHY BAKE OFF! Check out Isaac's Volcano - it was a bit of a disaster....a NATURAL disaster! 😊

My Edible Volcano Model

- Isaac 7W

AERIAL VOLCANO SHOT

CUTAWAY DIAGRAM SHOT

To remain connected whilst the students were learning from home, the Support Unit held regular Zoom meetings with all students and staff. The final Support Zoom session was enjoyed by all who participated. Thanks to Miss Katie for facilitating these sessions, they helped everyone to stay connected in some pretty trying times.

Ms Ruis, who is our Agriculture teacher, as soon as we had a confirmed return date, set about organising fertilisation of eggs, so that they would hatch just before the students returned to school. And sure enough, right on time the Wyandotte chickens hatched, ready for cuddles with the Ag students upon their return.

Student Support Officer Report:

Welcome back to school!

The Student Support Officers (SSOs) are here to support student wellbeing through caring conversations and access to support inside and outside of school. There are two SSOs at Windsor High School eager to support your wellbeing, Jess and Chelsea. Jess works Tuesday to Thursday and Chelsea works Monday and Friday. They are located next to C1. Please feel welcome to approach them for a chat.

On Friday, it was **World Teachers' Day**. Our dedicated teachers were treated to these amazing grazing boxes. Thank you to our teachers for your amazing work!

As the HSC exams are close to starting, we would like to make a special mention of Natalie Malpass – Year 12. We were excited to learn during remote learning that Natalie was ranked highest in Australia in the sport of Karate for her age group. As a result, Natalie was in contention to represent Australia at the World Youth Olympics in 2022. Due to Covid, the World Youth Olympics has been cancelled and won't be held until 2026. Due to Natalie's age, she will be unable to compete then.

Windsor High School continues to be exceptionally proud of Natalie and wish her the very best in her future endeavours.

Warm regards
Jennifer Hawken
Principal

HIGH SCHOOL

UNIFORM SHOP TENDER ADVERTISEMENT Uniform Logo (& Premise) Licence

Tenders are called for the licence of the Uniform Logo (& Premise) for the school year commencing Tuesday 26th April 2022 and for a term of FIVE (5) years.

Annual school enrolments will be approximately 620.

General enquiries and requests for a Tender Information Package should be referred to:

Ashlea Khalid

Deputy Principal

Windsor-h.school@det.nsw.edu.au

(02) 45877122

Tenders must be sent electronically and noted in the subject line

"Confidential - School Uniform Tender" and sent to:

The Principal

Windsor-h.school@det.nsw.edu.au

Tenders close at 3pm on 26th November 2021

Mandatory Criteria: All employees must hold a current working with children check.

Youth Fact Sheet

VAPING

The laws surrounding the supply and possession of nicotine vaping products changed at the beginning of October 2021.

All nicotine vaping products are now regulated under the Therapeutic Goods Act 1989 as Schedule 4 (prescription only) medicines in the Poisons Standard. This means that a prescription will be required from a medical practitioner to purchase nicotine vaping products from a pharmacy or when importing from overseas websites.

What is a Nicotine Vaping Product?

Nicotine vaping products are finished products (i.e. products ready to supply to consumers) that:

- contain nicotine (whether in base or salt form) in solution, and
- are intended to be vaporised or inhaled using a vaping device (e.g. an e-cigarette or other electronic nicotine delivery system).

Young Person in Possession of a Nicotine Vaping Product S527C Persons Unlawfully in Possession of Property

Young Persons are not intended, under the Poisons and Therapeutic Goods Act 1966, to be able to purchase nicotine vaping products. For Young Persons found in possession of nicotine vaping products, dependent on the circumstances, investigating officers may consider S527C Crimes Act 1900 – Persons Unlawfully in Possession of Property. This is based on the fact that Young Persons are unable to lawfully purchase or obtain nicotine vaping products. It is strongly advised that investigating officers liaise with their prosecutors prior to initiating any legal processes to discuss the circumstances.

September 2021

Parking in your street and School zones

Looking after your safety as a driver and a pedestrian

Road Rule
Do not parallel park the wrong way

School Zone
\$352
+ 2 demerit points

You cannot park on the wrong side of the road facing oncoming traffic and other vehicles. You must park facing the direction of the traffic flow. This is for safety when leaving the kerb.

Road Rule
Do not park on a nature strip, above the kerb or gutter

School Zone
\$352
+ 2 demerit points

You cannot park on a nature strip, bicycle path, footpath, shared path or dividing strip, or a nature strip adjacent to a length of road in a built-up area.

Road Rule
Do not park near a bus stop

School Zone
\$352
+ 2 demerit points

You cannot park within 20 metres before and 10 metres after a bus stop unless there are signs that permit parking. This is for the safety of bus passengers.

Road Rule
Do not park at an angle to the road

School Zone
\$352
+ 2 demerit points

You must park close and parallel to the road unless there are signs permitting angle parking.

Road Rule
Do not park across your driveway

School Zone
\$352
+ 2 demerit points

You cannot park on the road blocking a driveway or on the driveway (even your own) outside the property boundary. This is for access and pedestrian safety.

Road Rule
Do not park within 3 metres of a median strip or double white lines

School Zone
\$352
+ 2 demerit points

You cannot park within 3 metres of double white lines or a traffic island/median strip unless a sign says otherwise. This is for traffic flow and safety.

NSW Department of Education

Roadmap for parents and carers Return to school for Level 3 plus

Information current as at 7 October 2021.
Developed in partnership with NSW Health

education.nsw.gov.au/covid-19/advice-for-families

In Term 4, schools will return to face-to-face learning either through a 'staged return' or 'full return'.

The best learning environment for students is in the classroom and we are looking forward to welcoming back our staff and students in Term 4. We know that while there will be excitement, there will also be some anxiety and uncertainty about being back together at school.

Recent evidence shows that very little COVID transmission happens between children in school settings, and only a very small number of children who contract COVID-19 get seriously ill. However, to support school safety we are requiring all staff on site to be fully vaccinated, and we are strongly encouraging our students and school community to do the same.

We have worked with NSW Health on our COVID-safe plan to return to school sites and have developed effective practices to support this, including staff vaccinations, mask wearing, reduced mingling of staff and student groups, ventilation in classrooms and continued good hygiene and cleaning. We are confident that this, in combination with support from our school community, will minimise risk and help to keep schools open and students learning face-to-face next to their peers.

How the staged return to school will work

Students will return to face-to-face learning at school in the following order:

- from 18 October – department preschool, Kindergarten, Year 1
- from 25 October – all remaining year groups.

To maximise the re-establishment of a consistent routine, students who attend schools for Specific Purposes (SSPs) are recommended to return at the same time as students in mainstream settings. Students with disabilities in mainstream classes or support classes can also return as part of the staggered return at the same time as their year groups.

Students completing their HSC can already return in a limited way and this will continue for the first two weeks of Term 4. From 18 October, these students will have full-time access to school campuses and their teachers.

Some schools may have slightly different return to school plans, particularly if they have stage based classes or are very small schools.

School attendance

All students should be at school on the date indicated for their year group, unless:

- they have a medical certificate which says they can't return to school due to a condition or illness
- they are currently unwell
- they have been asked by NSW Health to self-isolate.

Wellbeing

If you are worried that the impacts of COVID-19 or going back to face-to-face learning may be affecting your child's wellbeing, please discuss this with your child's teacher.

You can find more information to help your child's wellbeing through the mental health and wellbeing resources on the department's website.

Break times, drop-offs and pick-ups and canteens

To make sure students reduce the risk of transmission across cohorts, schools will put in place staggered recess and lunch breaks, start and finish times and drop-off and pick-up points.

Students can use the canteen during breaks. This will be different at each school depending on the size of the school, the number of students, traffic flow and other factors.

Creating a safe learning environment

Masks and face coverings

Masks will be mandatory for all staff and all students in Year 7 and above while they are indoors and outdoors on school sites unless eating or exercising. Masks are strongly recommended for primary students both indoors and outdoors unless eating or exercising.

Students should bring their own masks where possible, but schools will have back-up supplies just in case.

Masks are mandatory for all travel on public transport for children 13 years and older.

Physical distancing

All adults must keep 1.5 metres distance from each other, including teachers and support staff, and parents and carers waiting to collect children.

Physical distancing between children in the same class is not required under the latest health guidelines. Mixing between class groups will be minimised and students will be supported to follow strict hygiene practices like:

- regularly washing hands
- not sharing drinks or food
- coughing or sneezing into their elbow, or else using a tissue which should be put in the bin straight away
- filling water bottles from bubblers rather than using the bubbler directly.

Vaccination

All adults at school sites, including employees, contractors, volunteers and essential visitors, must be fully vaccinated against COVID-19 by 8 November 2021. Adults that are required to support the staged return to school in October 2021 will be required to have received two doses of COVID-19 vaccine by that date. For schools under Level 3 settings, adults are strongly encouraged to have had two doses of a COVID-19 vaccine, but are not required to be fully vaccinated until 8 November.

Students aged 12 or above are now eligible for a COVID-19 vaccination. Parents and carers can book in a Pfizer or Moderna vaccine now.

Vaccination appointments are available at more than 3,000 locations across NSW, including GPs and pharmacies. For students and families who have questions or concerns related to getting vaccinated, refer to [NSW Health's Know the facts COVID-19 vaccination fact sheet](https://www.health.nsw.gov.au/COVID-19/Pages/know-the-facts.aspx).

School cleaning and hygiene supplies

Schools will continue to receive additional cleaning in line with advice from NSW Health.

Schools have received extra supplies of soap, hand sanitiser, toilet paper, paper towels, disinfectant wipes and personal protective equipment and can order more as needed.

School activities

Many school-based activities will remain on hold, including large celebrations such as presentation days and graduations, arts and sports events. For a full list of what is permitted and what is on hold, refer to education.nsw.gov.au/covid-19/advice-for-families.

Visitors

Only essential visitors are allowed on school sites at this time. When dropping off or picking up your child, parents and carers need to stay outside school grounds, you will need to wear a mask and physically distance. Some exceptions may exist for:

- schools for specific purposes
- vulnerable students
- students with disability
- preschools.

In these instances, follow the vaccination and mask-wearing requirements and sign in using the Service NSW QR code when entering the school.

Ventilation

Open or well-ventilated spaces reduce the risk of COVID-19. Where possible classroom doors and windows will remain open and fans and air-conditioners will be set to use outside air, where possible.

Rapid antigen testing

We are exploring with NSW Health the use of COVID home testing kits (known as rapid antigen testing) as a further screening measure to reduce the risk of outbreaks in schools, or the length of time students need to isolate after contact with someone with COVID. Further details will be provided in Term 4.

Reporting and assessment

You will receive your child's Semester 2 report by the end of the year. This will be a simplified version of the report you normally receive.

Orientation and transition to school

We have flexible arrangements so that students and parents and carers can still get help with orientation and transition to school in a COVID-safe way. Kindergarten and Year 7 transition and orientation programs will be virtual for schools doing a staged return. Transition and orientation programs will be possible for other schools, however only children will be allowed on school grounds.

Responding to COVID-19 cases

Where there is a case of COVID-19 in the school community, the department has established systems and protocols with NSW Health to manage and respond accordingly to keep our staff and students safe. These protocols include communication with parents or carers if their child has been in contact with someone who has tested positive to COVID-19 while at school or if the school becomes closed.

If your school reverts to learning from home

If schools revert to learning from home due to a Public Health Order or direction from NSW Health or the Department, the school will continue to provide learning activities for your child to do at home and will communicate with you about their learning.

If your child's school needs to revert to remote learning, your school will let families know through the usual channels, which might include email, social media or the school website.

If your school becomes closed due to a COVID-19 case

Parents and students will be notified when a decision is made to make the school closed for onsite attendance due to a confirmed case of COVID-19 or other events that require the school to close. Information about the operational status of the school will be distributed through the school's information channels, including the school website, Schools Safety App, any school social media channels and the department's website. During this period, the school will continue to provide learning activities for your child to do at home and will communicate with you about their learning. Parents and students will be informed by the department when the school is ready to resume onsite learning.

Get in touch with questions or concerns

Your principal has already started planning for a COVID-safe return at your school, taking into account the unique needs of their students and school. To support this planning, and to allow for your teachers to be fully vaccinated by 8 November or earlier, it is important that students return on the date specified for their year group.

Get in contact with your principal directly if you would like more information about your school's COVID-safe return to school plan or if you have concerns or questions about your child being back in their classroom for face-to-face learning in Term 4.

If you need further information, please call your school. If you need an interpreter to assist you with your enquiry, please call the Telephone Interpreter Service on 131 450 and ask for an interpreter in your language. You will not be charged for this service.

(3099i) SB 5038 167V

busways.com.au

School Travel for 2022

2022 school travel applications are now open

Students who need a School Opal card or travel pass for 2022 can [apply](#) now. A new application will need to be submitted if they are applying for a school travel pass for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, or who have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications and current entitlements are updated and remain valid. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2022.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

School Student Transport Scheme site change

On 1 October 2021 the School Student Transport Scheme (SSTS) information and application portal was moved to **transportnsw.info**. This will assist families to find all their travel information in the one place.

Travel from Term 1 2022

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for the School Student Transport Scheme (SSTS) open at the start of Term 4 2021 for travel in 2022, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a difficult period for local bus operators, and students travelling without a valid ticket make service planning and operations increasingly difficult.

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel on a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Please also remember that students using Opal cards must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).

COWAN & LEWIS PTY LTD ABN 76 000 412 779

Cowan & Lewis Pty Ltd

A.C.N 000412779

52 Cox Avenue
Kingswood NSW 2747
Phone 4721 7422

Web: www.cowanlewis.com.au
Email: sales@cowanlewis.com.au

Dear Parents,

Cowan & Lewis look forward to joining with you on the next phase of your child's journey through their school life.

The purchasing of your child's school uniform will be a little different this year due to the ongoing COVID 19 pandemic and ensuring we are adherent to the mandatory social distancing restrictions of 1 person per 4 square meters. The Kingswood retail store located at 52 Cox Avenue will be accessible by appointment ONLY from the 11th October through to the 21st December Monday to Friday from 9am – 4.30pm and Saturday 9am to 12 noon.

Cowan & Lewis are very mindful of the inconvenience this may cause with restricted accessibility whilst avoiding unnecessary queuing and delays to ensure the safety of our Staff, Parents and students.

We would encourage all new students to be outfitted prior to the end of the year to ensure they are catered for before the new school year, unfortunately appointments may not be available in January.

Appointments can be made on the Cowan & Lewis website www.cowanlewis.com.au. Select shop online, locate your schools crest, and click on the booking link and select the appropriate date and time.

- Each appointment will have a 20-minute duration.
- 1 Adult and 1 Child per booking
- For each additional sibling a booking will be required
- We ask that you arrive 10 minutes prior to your appointment
- If you arrive more than 5 minutes late to your appointment, we will unfortunately ask that another time be made to ensure the next appointment is not delayed

Alternatively online orders can be made and delivered to school twice a week on Tuesdays and Fridays during the school term. Exchanges can be arranged back through the school office by contacting Cowan & Lewis or leaving an exchange form in the bag to be collected, the exchange form can be located on the Cowan & Lewis website on your school's page.

Please note the appointment system above may change at any time as the State Government provides further advice. Changes will be notified on our website.

We thank you for your understanding and cooperation as we work through this challenging time and look forward to welcoming you to our store. Please feel free to contact our staff via email sales@cowanlewis.com.au or phone 4721 7422 should you require any further information.
