Watercolour Composition—Bridie—Year 7

We are changing the way we collect funds in the next couple of weeks. Statements will be sent to parents and carers via email. You will then be able to select the items you wish to pay and then simply click on a “pay now” button to pay immediately without having to go to the school’s website..

The rain only just held off so that we could hold our Tuesday Celebration assembly. The Mathematics faculty acknowledged students who had achieved amazing results in their recent assessments by awarding Faculty awards. Congratulations everyone!

Hudson, Leyla, Flynn, Elizabeth, Zak, Ethan, Makaelah, Kendra, Keely, Bonny and Callum

**OPPORTUNITY INNOVATION SUCCESS**

Mr Feau dressed as a king to reward our students who have been given the most VIVO points for the week. He was helped by his Princess, Ms West. There are always lots of smiles from both students and staff when we get to this part of the assembly.

Congratulations to Emily and Mason on being this week's High Fliers!

Also a big thank you to Ms Tripathi, who won a pumpkin, for distributing all her VIVO points for the week to her deserving students.

Ethan, Indiana and Alvin think so highly of Mr Phan they wrote a speech thanking him for being a great teacher and role model. It was so nice of the boys to acknowledge a teacher!

Students were reminded on assembly about our expectations around phone use. Phones must be off and in their bags in class time. They shouldn't be on silent in their pockets because the constant vibrations takes their focus off what they are learning. If families need to contact a student urgently during lesson time, please ring the front office on 45877122, and we will get the student from class. Students have access to be on their phones between 11:10am and 11:40am which is recess and between 1:40pm and 2:10pm for lunch. These are the only times when students can be contacted.

Students were also reminded to be kind to each other and to their teachers. Sometimes teenagers say and do things that upset others.

In terms of class work, Support Unit students have been getting creative as part of their Celebrations Around the World unit this term.

During Interest Groups this week, we played 2 epic games of Nine Square. This game is hugely popular amongst our students and staff.

Every day counts! We are putting a huge effort into increasing our attendance. We achieved our goal in the first two weeks. Together, we're smashing it! We still need to work harder to ensure all students attend on a Friday as too many students are giving themselves a long weekend.

Year 11 Work Studies is a course designed to develop the skills required for the work place. This week they have been practicing working collaboratively on a teamwork activity, creating a Spaghetti Tower. A great effort and we are looking forward to a rematch during the week.

Warm Regards  
Jennifer Hawken  
Principal

## Numeracy Course

RESPECT

Windsor High School introduced the new Numeracy Stage 6 Content Endorsed Course this year. The course focused on the development and consolidation of core numeracy skills. These skills are developed through authentic and relevant learning scenarios in areas such as finance, as well as a range of real-life activities requiring numeracy.

ACHIEVEMENT

This term students have been revisiting percentages. They have used m and m packets to determine the number of colours in their packet, and have used mental strategies to convert this information into fraction, decimal and percentages

Colour	Tally	Frequency	Relative frequency		
			Fraction	Decimal	%

TEAMWORK

They have also used percentages to rate common cereal brands to determine which one is healthier for you based on the percentage of sodium, sugar, protein and fibre per serving. Students entered the information into an excel spreadsheet to determine the overall healthier breakfast cereal.

SAFETY

	A	B	C	D	E	F	G	H	I	J	K	L	M

# Year 9 Stem Pathway Classes

RESPECT

ACHIEVEMENT

TEAMWORK

SAFETY

At the end of term 3, students in 9 Maths 1 and 9 Maths 2 joined together to participate in an enrichment activity to explore the area of a Dorito chip using trigonometry. Students selected from a variety of Doritos including spicy nachos, cheese supreme and original to determine if the area of each chip changed with its different flavours.

# Windsor High School CANTEEN

## BREAKFAST

Seasonal Fruit (E) (GF)	\$1.50
Fruit Salad Bowl (E) (GF)	\$5.00
Watermelon Bowl (E) (GF)	\$5.00
Hash Browns (O)	\$1.20
Cheese Toasties (E)	\$3.50
Ham & Cheese Toasties (E)	\$4.00
Ham, Cheese & Tomato Toasties (E)	\$4.50

## School or Child/Youth Opal Card tap on and tap off campaign support

In Term 4, across the western Sydney bus region we'll be running a campaign to increase the correct use of Opal Cards on the bus network. When Opal Cards are not used, the trip is not recorded, giving us no indication of how many students are boarding the buses and running the risk of services being reduced due to underutilisation.

During Term 4, we're focusing on a simple message - tap on and tap off your Opal card, every time you travel by bus.

Busways will be providing a communications toolkit. The contents will include:

- Email to parents and carers
- School social media posts
- Script for School Assembly or teacher / student meeting
- School newsletter article and website content
- Poster to be printed and placed within the school grounds

- We are educating drivers to support your efforts on the ground  
We will provide Opal Card pamphlets  
We anticipate the resources will be in your inbox prior to or at the start of term 4 for immediate implementation.

Please keep an eye out for it, check your junk folder and don't hesitate to contact me at [stephenlumley@busways.com.au](mailto:stephenlumley@busways.com.au) with any questions or feedback relating to the campaign.

Thank you,  
Steve Lumley  
Community Stakeholder Engagement Manager

## CALENDAR TERM 4

Wednesday 12th October—Friday 4th November	HSC Exams
Monday 31st October—Friday 4th November	Year 9 & 10 Exams
Wednesday 9th November— Friday 11th November	Year 9 Camp
Thursday 17th November	Year 12 Formal
Tuesday 29th November	Year 6 Orientation Day
Monday 28th November— Wednesday 30th November	Year 11 Camp
