Natural and Manmade—Quinn—Year 9

It has been another busy week at Windsor High. As we move into the second half of term 4 the opportunities for our students certainly do not decrease! Year 9 went to camp for 3 days last week and had a fantastic time, our RFS cadets graduated yesterday at our Volunteer Assembly, our School Captains represented us for Remembrance Day and much more! We had a number of students receive awards on assembly this week – congratulations to the students who received a TAS Faculty Award for working consistently.

OPPORTUNITY INNOVATION SUCCESS

Our high flyers this week are Stephen and Shudarshan, they both won a Big Mac voucher AND the spin on the wheel, with a USB and a Nivea men's pack up for grabs.

Mrs Hornsby, fondly known by staff and students as Shezza, heard the school calling her from the kitchen prep room and came out to receive her staff reward for handing out all her Vivos; she was given some bath salts to help her relax after a hard day at work.

The students have been doing some great cooking in Food Technology this week with a focus on presentation.

RESPECT

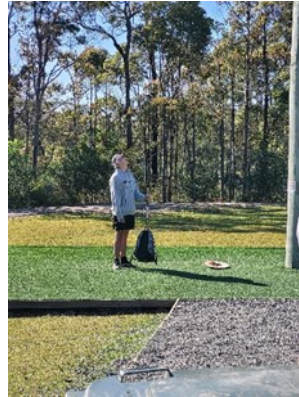

Year 9 thoroughly enjoyed their time at camp last week. Their behaviour was great, and the camp staff commented on how amazing our students were. Thank you to the staff who attended and made the camp possible for our students.

TEAMWORK

Support Unit students work hard at work experience every Friday. Last week they packed salad dressing ready to ship out to Aldi stores.

SAFETY

Year 7 have been working on their Textile projects: Aprons. Looking sharp ready for Design and Tech next year!

Windsor HS Rugby League teams split the points last Wednesday against Winmalee HS at Windsor Leagues Stadium. On a hot afternoon the girls went down in the last 5 minutes of the game 22-16, they showed great courage to hang in there after a few early injuries. This team has come so far in such a short period of time, and we look forward to seeing them return in 2023. The boys were clinical from start to finish to maintain their unbeaten run, running away with the match 32-10. Well done to both squads.

Windsor High School Cadet Graduation

A graduation was held today at Windsor High School to recognise 19 Cadets who completed the Secondary Schools Cadet Program offered by the Hawkesbury District Rural Fire Service.

Throughout the program, these Cadets have learnt new skills which they will use throughout their lifetime. The program also provides students with an insight into fire safety and prevention whilst developing practical life skills and a general appreciation of community service and volunteerism.

Thanks to Group Officer Phil Hurst and the Cadets Team for making this happen, along with Windsor High School for supporting this program.

Kind regards
Jennifer Hawken
Principal

Windsor High School Representation at Windsor RSL Remembrance Day Commemoration

On Friday the 11th of November our school captains had the pleasure of attending the Windsor & District RSL Sub Branch Remembrance Day Commemoration at McQuade Park.

Remembrance Day marks the anniversary of the Armistice which ended the First World War (1914– 18). Each year, on this day, Australians observe one minute's silence at 11 am, in memory of those who have died or suffered in all wars and armed conflicts. On Friday the 11th of November, our school captains Skye, Layla, Jordan and Darcy participated in the Remembrance Day" commemoration, which was held at Windsor's McQuade Park. School captains Skye and Layla laid a wreath as a part of Windsor High School's involvement in this event.
