Tuesday 4th June Assembly

The week has been filled with sporting opportunities, wellbeing programs and extra-curricular activities at Windsor High School. It has been wonderful to see a range of students participating in these events and we would like to offer our sincere thanks to the staff who have assisted in organising and supervising.

Ms Thompson handed out Year 11 Deputy Principal awards this week at assembly. This is a significant achievement for these students and Ms Thompson spoke of how proud she is that Year 11 have been so mature in their approach towards their senior studies. Congratulations to all of these students for their dedication and conscientious attitude.

**OPPORTUNITY INNOVATION SUCCESS**

Well done to our STAR students of the week and to Ms Suter for being the staff member of the week.

MC1 made homemade pizzas today, even making their own pizza dough! It was a great success. 🍕 😊

AECG Award Night 2024

Last Thursday, we celebrated the achievements of some of our amazing First Nation students. Windsor High School are very proud of all you do in your fields.

Talaana - Creative Arts Award  
 Cheyenne - Cultural Leadership Award  
 Jemar - Deadly Resilience Award  
 Tegan - Cultural Motivational Award  
 Tristen - Cultural Motivational Award  
 Lauren - Academic Award  
 Damian - Sporting Excellence Award  
 Kyle - Deadly All Rounder Award

This award is presented to 1 primary school student and 1 high school student. Kyle was awarded the high school award for 2024.

Congratulations to all of you on your outstanding achievement. Windsor High is very proud of you all. ❤️💙💛

Congratulations to 7/2 Roll Call for your outstanding attendance this term. They continue to maintain first place for the highest average attendance rate!

Congratulations to Eisha in Year 7 who was crowned Miss Junior Earth Australia 2024. Eisha competed in a range of categories and won her talent which was singing and best in floral attire. Eisha advocates to keep the earths surface and air we breathe and oceans clean. Her goal is to educate the new generation in keeping the earth clean. Well done Eisha.

Warm regards  
Mrs J Lidbury  
Deputy Principal

## PDHPE Newsletter

As always, learning is the priority with the key focus on helping students develop skills to make educated health-based decisions whilst developing problem solving skills, working collaboratively and building their movement skills in physical education classes and sport.

I would like to thank the staff at Windsor High School who take on the role of coaches and trainers. They do this in addition to their teaching responsibilities, as a result our students are provided with many extracurricular opportunities. Without their dedication and time this would not be possible.

### **Assessments**

Year 7-10 PDHPE and PASS Term 3 assignments were handed out recently. Students are allocated a 3 week period and some class time to complete the tasks. It is imperative that students apply their best efforts to ensure they receive a mark that is reflective of their ability and submit the task punctually. If students require another copy of their task they can access it via Google Classroom as each class has their own page. In PDHPE students are assessed on their theoretical knowledge and their ability to apply the practical skills they have developed in physical education classes. Both components are equally important, providing students multiple opportunities to display their skills and understanding in PDHPE.

Students are advised to speak with a PDHPE teacher if they require further assistance.

### **PDHPE Practical Lessons**

Practical lessons make up 50 percent of the PDHPE curriculum. In these lessons students develop and improve skills in striking, fielding, net and court sports and invasion games to name a few. Students learn some valuable lifelong learning skills in these classes including teamwork, problem solving, communication as well as the obvious health and skill related components of fitness. We encourage all students to participate to the best of their ability as we know that this is how improvements are made and new interests and hobbies are developed.

Mr Muscio

### **Open Boys Soccer**

Windsor High School (1) vs St Marys Senior (4)

Windsor took on the might of St Marys Senior in round three of the Macquarie opens soccer knockout competition. St Marys Senior came out strong in the first half, with Brandon pulling off some critical saves and Tyler making some heavy last-ditch challenges to keep them at bay. Windsor then started to take hold of the match, Jayden coming close to taking the lead after some industrious work from Codey Martin. The second half saw St Mary's take the lead against the run of play, however, Windsor quickly responded with a fine header from the captain Tristen. Unfortunately, it was not enough though, as St Marys ran over a depleted and exhausted Windsor in the final 10 minutes, banging in three quick goals in succession. The boys should hold their heads up high for their work rate and teamwork against an older and more experienced opposition. Well done boys.

Mr Cotter

## Fast 5 Netball

Our Year 11 and 12's attended the Netball NSW Fast5 Carnival at The Centre in Dural. Our mixed teams had been training weekly, some daily and were ready for some fierce competition. All teams displayed great teamwork and dynamic skills throughout the day. Windsor represented with 4 out of the 21 teams involved in the carnival. In pool A, the orange team finished in 4<sup>th</sup> place and the blue team finished 5<sup>th</sup> and in Pool B, the pink team finished 6<sup>th</sup> and the green team finished 8<sup>th</sup>. A big congratulations to all the students who were involved and a massive thank you to Mr Feau, Chelsea, Taylah and Evie for umpiring on the day.

Miss Spencer

## Macquarie Zone Netball

On the 28th of March our Opens Girls Netball Team competed in the Macquarie Zone Gala Day. The girls utilised the day working on new combinations and plays. Windsor got some good wins in against Hawkesbury, Richmond and Crestwood High School. The girls are working hard, training regularly for their next upcoming netball tour. Well done girls. Special mention to Maddy and Tamara for progressing to the possible and probable round of the gala day and to Ellie for being selected as a shadow player in the Macquarie Zone Netball Team.

## Sydney West Tennis

On Monday the 27th of May. Cassidy, Maddy, Zoe and Morgan competed in the Semi Finals of the Sydney West Tennis Opens Girls competition. The girls played singles and doubles against Greystanes High School. They displayed great skills and technique throughout the day. Well done girls.  
Miss Spencer

## 15's Boys Basketball

In the first round of the Sydney West U15s knockout competition we came up against Kellyville High School. They were a largely unknown opponent, but the boys were very excited to get the game happening. From the start of the game we were very dominant, with everyone chipping in and playing a part. Our captain John C took control of the game and ended up scoring 42 of our 52 points. Great work boys. We look forward to our next game against Penrith Selective High School.

Mr Fagan

## Sydney West Lawn Bowls

Windsor High School entered a team into the Sydney West Lawn Bowls knockout on Friday 31 May. The team included four year 8 students: Luke K, Lucas S, Matt O and Will W-W. Most of the boys had limited experience playing Lawn Bowls but were every keen to give it a go. Led by our skip Luke, the team played against teams from Blaxland and Kingswood High Schools. Unfortunately, whilst both games were competitive and had close scorelines our team lost out to our competitors. Most importantly the team throughout the competition and were great representatives for Windsor High School.

Mr Muscio

## NETBALL NSW SCHOOLS CUP

On Wednesday our Year 7/8 and 9/10 Netball Teams competed in the Netball NSW Schools Cup Gala Day. It was another great day of fun and participation in promoting the game of Netball. Teams have been training at recess and lunch to prepare and their skills continued to develop throughout the day. Our Boys' Team displayed strong determination and courage and had many fantastic passages of play, finishing in 3rd place. The Year 7/8 Girls played together competitively for the first time, trying new positions and combinations, finishing in 5th. The 9/10 Girls endured strong competition and enjoyed playing out of position for some fun finishing in 6th. A big thank you to Belle and Teagan for umpiring and to the parents for their cheering and support.

## Speech therapy

Language and  
Literacy groups

BACK BY  
POPULAR  
DEMAND!

### Where will sessions be held?

The sessions can run at our clinic in Moorebank or conveniently online via telehealth. Further discussions regarding logistics can be discussed further upon booking.

### Who is the target audience?

This program is suitable for any students that are having difficulty with their language and literacy skills. We can offer small group intervention for students with similar difficulties or individual sessions.

Picture: Students from Canley Heights Public School participating in school holiday literacy groups

### How can students access this service?

Students can access groups through:

- School funding
- Parent pays
- NDIS

### July School holidays

Our clinicians are trained in a specialised program to help students develop their reading and spelling skills. The program also aims to improve their oral language and vocabulary skills as well.

**ASSESSMENT,  
INDIVIDUAL OR  
GROUP THERAPY  
SESSIONS ARE  
ON OFFER!**

## A message from Busways:

### Remember to Signal the Bus Driver

In an age where technological distractions abound, Busways emphasises the importance of maintaining clear communication with public transportation providers.

With the reliability of smartphones and digital devices, it's all too easy for passengers to become engrossed in their screens while awaiting their bus. However, with the convenience of modern connectivity, the simple act of signalling the bus driver is important to ensuring a smooth and efficient commute.

Busways urges all passengers to remain vigilant and attentive at bus stops. When your bus approaches, take a moment to lift your hand and signal the driver for pickup. By doing so, you not only facilitate a timely departure but also help to contribute towards a safer and more streamlined transit experience for all.

Next time you're waiting at the bus stop, remember to look up and signal the driver as your bus is approaching. Clearly raise your hand until you see the bus indicate it is pulling over.

**CALENDAR TERM 2 2024**

Monday 10th June	King's Birthday Public Holiday
Friday 21st June	WHS Night at the Museum Year 7, 8 & Support Unit
